SUBJECT: Title 5 Regulations - Section 80057.1, Subsumed  
Subjects Added as Supplementary Authorization

The Commission for Teacher Preparation and Licensing has approved and adopted the following Title 5 Regulation of the California Administrative Code; this regulation was approved by the California State Board of Education on September 4, 1980:

## 80057.1. Subsumed Subjects Added as Supplementary Authorization

(a) The holder of a valid single subject teaching credential may have one or more of the subsumed subjects listed in California Administrative Code (Title 5), Section 80005, added as a supplementary authorization, with appropriate identification, when the candidate or an approved institution verifies completion of 20 semester hours or 10 semester hours of upper division non-remedial collegiate course work in a specific subsumed subject commonly taught in grades 7-12 with a scholarship record of grade C or better in any course used to meet requirements of this section. on-a-five-point scale. The course work shall be completed through regionally accredited institutions or institutions specially approved by the Commission, provided that the subject for which such additional authorization is requested is identifiable as (1) listed in Section 80005; and (2) not listed among subjects subsumed under the applicant's current single subject authorization under Section 80005.

(b) Applicants for supplementary authorizations in subjects subsumed in categories other than industrial arts, physical education, music, art, or home economics shall meet the reading requirement described in Education Code Section 44259(e).

(c) These provisions will continue to July 1, 1980  
1981, pending review.
